

We are excited to announce ROSCon 2018, the seventh annual ROS developers' conference. Join us in Madrid prior to the IEEE/RSJ IROS conference.

This is your opportunity to take part as a sponsor at this incredible event!

In keeping with the growth of the conference, we have broadened the sponsorship options and opportunities for exposure. You are invited to sponsor ROSCon 2018 as together we explore technological advancements in this exciting and fast paced industry.

ROSCon 2018

29–30 September 2018 | MADRID, SPAIN

We continue to build on the success of past ROSCons. The 2017 and 2016 conferences were sold out and we anticipate another sold out event! This year's two-day conference will comprise technical talks that introduce and explain how to use libraries and tools, describe best practices, and share techniques. ROSCon is organized around a single track of carefully reviewed presentations.

While the academic robotics conferences provide a forum for discussion of scientific advances, ROSCon provides a parallel forum for the engineering aspects of robotics that we all spend so much time on. As artificial intelligence, advanced robots, and robotic technology are moving from the lab to regular commercial and home use, these engineering issues are becoming more critical. With the wide and increasing adoption of ROS throughout the robotics community, ROSCon offers the ideal forum in which to meet and discuss software engineering and development using a common language.

As a sponsor, you'll have distinctive opportunities to connect with the ROS community, from having your logo on the event website to exhibiting your work in person at ROSCon 2018. Our sponsors are recognized before, during, and after the conference as leading supporters of ROSCon and the development of the field.

ADD-ON OPPORTUNITIES

Whether your company is a Friend of the Conference or a Platinum Sponsor, increase your exposure by purchasing an add-on opportunity!*

Diversity Scholarship Program: \$3,500 **Sold Out**

The ROSCon Diversity Program is designed to enable participation in ROSCon by those typically under-represented in the robotics community to make the conference a more fulfilling experience for all attendees. Your sponsorship provides access to two participants by funding their conference registration, shared hotel accommodations, and a travel stipend. The program has had a powerful impact and, we, at ROSCon, encourage your support to help us expand the outreach of ROS.

- Logo recognition on the conference website at your sponsor level as well as on the diversity scholarship information section
- Logo recognition on a dedicated slide at the conference as well as named acknowledgment at the opening session
- Access to testimonials provided by the scholarship recipients post-conference
- Invitation to the pre-conference scholar meet and greet and the opportunity to address the scholars

Video Archive Sponsorship: \$10,000 (1 available)

Gain lasting exposure for your organization that extends beyond the conference. Over the last 12 months, the ROSCon branded videos had 40k plays and over 400k loads!

- Recognition of the sponsorship included on the matte of video recordings
- Logo and listing of the sponsorship above the program on the conference website
- Promotion of sponsorship of video recording on all outreach mailings

Reception Sponsor: \$5,000 **Sold Out**

- Exclusive sponsorship of the Saturday night reception
- Recognition as the reception sponsor throughout the event
- Prominent space to setup a booth during reception
- 5 minutes to address attendees at the conclusion of the session prior to the reception

WiFi Sponsor: \$5,000 **Sold Out**

- Logo and name recognition on signage, in slide deck, and on network sign-in page

Lanyard Sponsor: \$4,000 **Sold Out**

All attendees will receive your branded lanyard at registration and are required to wear their name badge to gain access into conference events.

- Two-color printed logo on the conference lanyard.
