- **Service Robotics Modules**

- **meet PILZ at the ROS-Industrial booth**

- PRBT manipulator module with ros_canopen JointTrajectory-interface for direct control

- ROSIN-FTP: industrial trajectory generation (no vendor-specific robot-controller!)

PILZ

THE SPIRIT OF SAFETY

- Future:
  ROS-Integration of other PILZ components

- Pilz offers Service Robotics Modules

- Check out the OpenSource packages:
  wiki.ros.org/pilz_robots
